

# BEETLE BOBS

## DESCRIPTION:

Youngsters get big time pleasure with the **BEETLE BOBS**. **BEETLE BOBS** spins at 12.5 RPM for exciting big-ride action at a speed which youngsters can handle easily. The kids love the ride action and their parents can ride with them in the spacious molded fiberglass cars.

“Good-looking” is what your customers will say when they see this ride. Your **BEETLE BOBS** has flashy metal flake cars that are lined with aluminum flooring and molded foam padding. The canopy has durable Lexan plastic scenery for a touch of class, combined with 1100 super turbo lights to make it stand out in the crowd. All other family rides pale in comparison.

The portable **BEETLE BOBS** sets up easily in 2 hours. The Locking lap bars close for quick loading and the air unlocking system make for super fast unloading. You won't need extra vehicles because everything folds up on the tandem axle trailer.

The **BEETLE BOBS**, with great money-making capacity, is a super piece for any carnival operation.
