**QUALITY HIGH GROSSING RIDES FOR EVERY OPERATION**

# LADY BUGS

## DESCRIPTION

Youngsters get big time thrills with the **LADY BUGS HIMALAYA**. The Lady Bugs spins at 11.5 RPM for exciting big-ride action at a speed which youngsters love. The rides exciting action is a delight for both children & parents alike.

“Spectacular-Looking” is what your customers will say when they see this ride. Your **LADY BUGS HIMALAYA** has spacious molded fiberglass seats and the flashy metal flake cars hold both Adults & Children comfortably. The canopy has durable Lexan plastic scenery for a touch of class, combines with 1100 lights to make it stand out in the crowd. All other family rides pale in comparison.

The portable **LADY BUGS HIMALAYA** sets up easily in 2 hours. The ratchet lap bars close for quick loading and the air unlocking system make for super fast unloading. You won’t need extra vehicles because everything folds up on the single axle trailer.

The **LADY BUGS HIMALAYA**, with great money-making capacity, is a super piece for any operation. The outstanding flash & look of our new front design was developed in conjunction with the legendary ride operator Duane Steck.

Check with any Wisdom Silver Streak owner, (that this ride grosses like the major rides). The new Lady Bugs theme is sure to be a top grosser on your midway as well.
