

# MONSTER TRUCK

## DESCRIPTION

Youngsters get double the ride pleasure with the **MONSTER TRUCK**. As the center rotates, turning the six monster 4 x 4 trucks wheelies and car crushing excitement waits for every kid. The kids love the feel of driving their very own monster truck just like the big boys. 6 wheelie popping, car crushing trucks and a great monster truck sound for every midway.

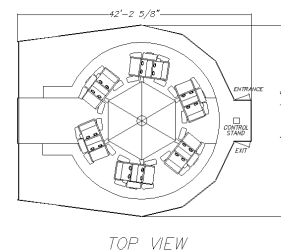

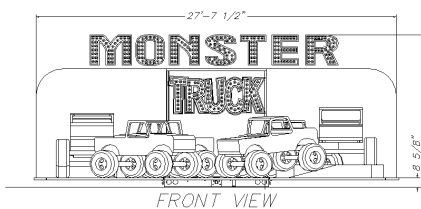

“Good-looking” are the words your customers will use when they see this ride on the midway. You’re Monster Truck has durable metal flake fiberglass which makes it stand out in the crowd.

When you’re ready to go down the road, the Monster Truck racks easily on the 28’ ball hitch trailer that pulls behind a pickup.

Back wall scenery and loading platform make this a great looking ride. From one end to the other, the Monster Truck is a super piece for any carnival.
